The employee self-review format is a very organized system. You present the form to the employee to fill up. In the process, the employee may measure his own achievement, skills, and potentials, and also the things which had barred his performance or let him down.

[How to Write a Self Evaluation \(with Sample Evaluations\)](#)

To write a self-evaluation, review your goals and create an inventory of your accomplishments from the past year. Assess all of your work materials, like emails and reports, for examples to back up your achievements. Then, work through your list and create a brief explanation for each accomplishment, citing qualitative examples when possible. Schedule a meeting with your supervisor to review
