The modern farm table continues to be one of the most built plans that I have designed. I believe the reason for it's success is that it's simple, easy to build, stylish, and it's difficult to find a solid wood table in a modern design. So many of us have built this table. One of our readers, Tami, built the table and modified it to square. I was so inspired by Tami's photo, that I just had to offer the plans to everyone else.
