How To Select the Right Paint and Color For Your Home | DIY

Just choose your favorite color and overlap the shades. For example, select a darker color for the wall and then another in the same color scheme but different shade and slightly lighter for the trim. Your curtains, towels or bedding as well as accessories such as candles can be varying shades within the same scheme. You can also layer the colors by selecting a lighter green as the basecoat and then do a faux paint with a darker green overlay.
