[Is Short - Term Disability Insurance Worth It?](#)

Short-term disability insurance is an insurance product that replaces your income for a short period of time in the event that you experience a disability. The benefit period usually 3 to 6 months. Let's break that definition down a little:

[Ways to Get Short-Term Disability Benefits | DisabilitySecrets](#)

Pregnant women can receive short-term disability for several weeks for delivery and recovery. You will need to submit medical records or go to a medical exam to prove your disability. For information on your state's specific eligibility rules, see our article on eligibility for state temporary disability benefits.

[Short Term Disability - GroupBenefits.ca](#)

Short Term Disability. The Short-Term Disability or Weekly Indemnity benefit is designed to compensate an employee for income lost as a result of short-term absences from work from an accident or sickness.

[Disability Insurance | Sun Life Financial](#)

Disability insurance is designed to replace a portion of your income if you become disabled and are unable to earn an income. A disability can result from a number of causes, including an injury, a serious illness or a mental health issue. And the duration of a disability can be either short- or long-term.

**Short Term Disability Insurance : Benefits Consultant**

Short term disability (STD) benefits plans (also known as weekly indemnity or WI for short), can be administered through an insurance company or health management company. By using a third party administrator such as an insurance company or health management company, employers can access additional services and expertise to help them manage, adjudicate and administer the disability claim.
